PARAMOUNT FORT LAUDERDALE BEACH, THE 95-RESIDENCE OCEANFRONT TOWER IS COMPLETE!

"The Fort Lauderdale market has emerged into a desirable destination with a great demand for new condos," says Peggy Fiacci, President and CEO of OneWorld Properties. "This is our second building to close this year and the first project to be delivered in the last 10 years in this area. PARAMOUNT Fort Lauderdale Beach is going to redefine Fort Lauderdale luxury living, and we're excited for our residents to experience all the development has to offer." Adding a touch of sophistication and elegance to the heart of Fort Lauderdale Beach, PARAMOUNT Fort Lauderdale Beach features expansive ocean views with 10-foot ceilings in all living spaces ranging from 1,910 to 3,500 square feet, private elevator access with private vestibules in all residences, spacious outdoor living rooms directly accessible from living areas through floor-to-ceiling sliding glass doors, and more. Penthouses are equipped with their own private pools, as well as more than 6,000 square feet of outside space and cabana area. Luxury amenities for residents includes: a social lounge, a clubroom, a massage and steam room, a signature Oceanside restaurant, a poolside bar and private poolside cabanas, a state-of-the-art fitness center and locker rooms, and a summer kitchen with barbeque grill.
